2 DEMAND FOR HIGH INTEGRITY CREDITS

- The Voluntary Carbon Market 1.0 began in the early 1990's with no government oversight and many private credit authentication schemes.
- Many companies are under major government, customer and shareholder pressure to reduce emissions. They buy voluntary credits to offset emissions until they can decarbonise their operations.
- The Voluntary Carbon Market 1.0 traded millions of credits annually and peaked at \$USD 2.1 billion in 2021. It is projected to grow to \$USD 10-40 billion by 2030.
- In 2023, 90% of forest-sourced voluntary credits were identified as fake in a global investigation by the Guardian Newspaper, Oxford University, and other independent authorities. Several major private authentication schemes and sales platforms were discredited. This caused a significant drop in credit sales.
- A new Voluntary Carbon Market 2.0 for High Integrity Credits is emerging, with a severe lack of supply. Numerous companies are entering the market to provide high integrity credits. Allied Offsets has reported prices for forest-sourced credits from \$USD 25 – 450 per unit, depending on project quality. Recently in the USA Chestnut Carbon raised \$USD 160 million to turn old farms into carbon forestry, with Mercedes' F1 race team as a client.
- GreenXperts used reliable ISO standards to authenticate 140,000 WVCC® avoided deforestation credits from the unprotected privately-owned Pre-1990 indigenous [Fairhill Forest](#) in Westland, New Zealand.
- International buyers were offered the Fairhill credits and they advised that they require an on-going supply of millions of credits. It is estimated that 50,000 hectares of unprotected Pre-1990 indigenous forest in New Zealand could generate 10 million credits at a net yield of 200 credits per hectare.
- GreenXperts has issued this 'Call for Suppliers' invitation to assist owners of Pre-1990 indigenous forest to release this sustainable wealth from their forests.

PART V: CARBON TRADING AGREEMENT

TERMS OF TRADE – CARBON TRADING

TRANSACTION NO: CEQ number as stated on Offer Notice

DATE: As specified on Offer Notice

1. INTRODUCTION

Carbon Trading Business: Carbon Equities New Zealand Limited (“CEQ” or “we”)

Carbon Trader: Susan Mary Harris, Registration No: NZEUR 13451 or Other CEQ Trader who may be appointed

Client: Business, Trust, Individual’s Name or “you”

1.1 This Agreement details the basis upon which CEQ arranges transactions on your behalf in its capacity as a Carbon Trader. Your acceptance of this Agreement shall constitute the formation of a contract between you and CEQ.

1.2 The parties to this broker agreement are CEQ and you.

1.3 References in this Agreement to “we”, “us” or “our” include references to our Affiliates, any director or employee of CEQ or any of its Affiliates.

2. OUR SERVICES

2.1 We may provide Domestic Carbon Trading services in New Zealand Carbon Credit instruments known as “NZU” in the New Zealand Emissions Trading Scheme (NZETS) using the New Zealand Emissions Unit Register (NZEUR). These may be traded on a “spot” basis or “forward contract” basis.

2.2 We may also provide International Carbon Trading services in international carbon trading units (ICTU) as specified in this broker agreement. These may be traded on a “spot” basis or “forward contract” basis.

2.3 All dealings with or for you are subject to the rules of the markets, exchanges and associations being used for the trading of your account. When we accept an order from you we will seek to execute it as soon as reasonably practicable in the circumstances.

2.4 All of our services are strictly confidential, with no BUYER or SELLER details released to any party apart from duly authorised regulatory authorities.

- 2.5 Settlement is by escrow services provided by CEQ.
- 2.6 Fidelity of carbon credits bought or sold is independently verified by CEQ or their agent prior to recommending a “buy” or “sell” contract to the Client.
- 2.7 Should the fidelity of the carbon credits bought or sold be altered after the buy or sell transaction occurs by reason of a change of law by government or state, CEQ or their agent accepts no responsibility or liability for that alteration of fidelity.
- 2.8 Market positions, status and risks are assessed by CEQ prior to providing the Client with a recommendation to “buy”, “sell”, or “hold” a package of carbon credits.
- 2.9 We provide NZU Transfer of Participation and Mandatory Emission Return services where required by the NZETS to the SELLER as part of the brokerage fee; and to the BUYER as a separate professional services contract.

3. SETTLEMENT BY ESCROW

3.1 Settlement of all transactions is to be agreed in writing (by letter, facsimile, or email) between the two parties “BUYER” and SELLER” to the transaction. CEQ provides escrow settlement services through two vehicles:

- (a) Carbon credit units held in the CEQ carbon trading escrow account on the NZEUR or other registry; and,
- (b) Purchase funds held in the CEQ carbon trading trust account.

3.2 The Settlement Process is as follows:

Step 1: A SELLER commissions CEQ to sell a nominated number of NZU (NZU Package) or ICTU (ICTU package) on the spot market or forward market using this broker agreement.

Step 2: NZU’s for sale are defined by their NZEUR number and market type, eg. “March 2017 Spot Market” or “March 2018 Forward Market”. Similarly for ICTU.

Step 3: CEQ, in consultation with the SELLER on price, locates a BUYER for the NZU or ICTU Package at an agreed price satisfactory to the SELLER.

Step 4: The BUYER commissions CEQ to purchase the NZU or ICTU Package on the BUYER’s behalf using this broker agreement.

Step 5a: CEQ sends the BUYER and the SELLER a transaction note and invoice detailing the number of units, registered NZU or ICTU unit numbers, market type, purchase price, and brokerage fees of the NZU or ICTU Package offered by the BUYER.

Step 5b: The BUYER deposits the agreed purchase price into the CEQ escrow trust account.

Step 5c: The SELLER transfers the NZU or ICTU Package into the CEQ Carbon Trading account on the NZEUR or other registry.

Step 6: CEQ's carbon trading staff verify that the correct number of NZU are residing in the CEQ carbon trading account, and that the correct funds have been deposited into the CEQ escrow trust account. Similarly for ICTU on the relevant registry.

Step 7a: CEQ's carbon trading staff transfer the purchase funds to the SELLER's nominated bank account, less brokerage fees, accompanied by a "SELLER'S CONFIRMED TRANSACTION" note sent to the SELLER.

Step 7b: CEQ transfers the NZU Package into the BUYER's NZEUR account, accompanied by a "BUYER'S CONFIRMED TRANSACTION" note sent to the BUYER. Similarly for ICTU on the relevant registry.

3.3 Unless varied in writing by CEQ these steps are intended to be sequential.

4. REGISTRATION OF GREEN TICK®-CERTIFIED CARBON CREDITS

4.1 Every sale of Green Tick®-certified carbon credits shall be reported by the SELLER to [Green Tick Certification Limited](#) for entry on the Green Tick® Register within three Business days of the sale being concluded.

You agree that acceptance of an instruction to withdraw or amend an existing order is always subject to our receiving the instruction in time for the appropriate action to be taken. You agree that we may in our absolute discretion, refuse to accept an order or any other instruction for your account.

6.2 We shall be entitled to rely on and treat as binding any instructions which we believe to be from you, your agent(s) or an Authorised Representative (whether received by telephone, facsimile, email or in writing) which we have accepted in good faith.

6.3 No liability shall attach to us if an instruction which we have accepted and acted on bona fide basis is subsequently discovered to have been forged, falsified or amended without your authority.

10.2 Neither we nor any person connected with us nor any of our agents, nor any director, officer or employee of CEQ shall be under any liability whatsoever for any loss or damage sustained by you as a result of, or in connection with, the services to which this Agreement applies, and the provisions of this Agreement except insofar as to the extent that such loss or damage is caused by negligence or wilful default or failure to comply with all applicable laws.

10.3 You irrevocably and unconditionally agree to indemnify us and our agents on demand and keep us fully and effectively indemnified (whether before or after termination of this Agreement) against any claims, liabilities or expenses of any kind which may be incurred by us as a direct or indirect result of our acting under this Agreement. However, this indemnity shall not apply to any loss or liability to the extent it arises or results from our negligence or wilful default or any contravention by us of any applicable laws.

11. ILLEGALITY

11.1 If any provision or term of this Agreement or any part thereof shall become or be declared illegal, invalid or unenforceable for any reason whatsoever, such term or provision shall be divisible from this Agreement and shall be deemed to be deleted from this Agreement provided always that, if any such deletion substantially affects or alters the commercial basis of this Agreement, we reserve the right to amend and modify the provisions and terms of this Agreement in such fashion as may be necessary or desirable in the circumstances.

12. VARIATION

12.1 We may, from time to time, by written notice to you, make such modifications, amendments and additions to this Agreement as we consider necessary or desirable to comply with any applicable law or the requirements of any governmental or other regulatory body or to comply with the rules of an exchange or clearing house. All such modifications, amendments or additions shall be effective on a date specified in the notice which will not be less than ten Business Days after provision of the notice, save that amendments or additions required for regulatory purposes shall, if we so determine, have immediate effect.

15.1 Time shall be of the essence with respect to any payment or other obligation you may have to us under this Agreement.

16. TERMINATION

16.1 You may terminate this Agreement at any time by written notice to us subject to your having no outstanding obligation to us. We may terminate this Agreement at any time by written notice to you. Termination shall not affect your obligation to settle transactions effected by us on your behalf prior to the date of termination and shall not prejudice any right or obligation that may already have arisen.

17. NOTICES

17.1 All notices between us shall be in writing and may be served personally or by fax, email or courier post to the address notified to each other from time to time.

17.2 With the exception of dealing instructions to us (which must be communicated in accordance with paragraph 4.1) notices shall be deemed to have been served three (or, in the case of overseas clients, seven) Business Days after having been posted; or if sent by facsimile or email, one Business Day after transmission.

19.2 When we arrange a transaction for you we or one of our Affiliates could for example be:

- (a) dealing as principal for our or its own account by selling the investment concerned to you or buying it from you; or
- (b) matching your transaction with that of another client by acting on his/her behalf as well as yours; or
- (c) making arrangements for transactions on your behalf where an Affiliate has issued research and this Affiliate may also have an own account transaction in the investment concerned.

20. FORCE MAJEURE

20.1 We shall not be in breach of our obligations under this Agreement if there is any total or partial failure of performance of our duties and obligations occasioned by any act of God, fire, act of government or state, war, civil commotion, insurrection, embargo, inability to communicate with market makers for whatever reason, failure of any computer dealing or settlement system, prevention from or hindrance in obtaining any energy or other supplies, labour disputes of whatever nature or late or mistaken delivery or payment by any bank or counterparty or any other reason (whether or not similar in kind to any of the above) beyond our control.

21. EXCLUSIVE JURISDICTION

21.1 You agree that the courts of New Zealand are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with this Agreement. Nothing contained in this clause shall limit our right to take proceedings against you in any other court of competent jurisdiction.
